

FIRST ANNUAL STRATHCONA
Sunrise Rotary
Marmot Fun Raiser

"Its ab-so-lute-ly going to be the "bee's knees" when we "put on the Ritz" and go down to the "juice joint" and find us some "butter and egg men" and drink some "giggle water". We don't want any "flat tires" to put a damper on our evening out."

This exciting and unique evening has all the "whoopee" you could handle if you are even thinking of getting "spifflicated". This juice joint has limited seating and will sell out quickly.

Tell them "The Big Mann" sent you.
